

INVITATION TO TENDER

CONSTRUCTION OF SITE WORKS AND SITE SERVICES

FOR OIL SPRINGS LINE

ASPHALT REPLACEMENT

THE VILLAGE OF OIL SPRINGS

Sealed tenders on forms supplied by MIG Engineering will be received for the asphalt replacement project on Oil Springs Line by the Village of Oil Springs until 11:00 a.m. on Tuesday, September 26th, 2017 at the Oil Springs Town Hall, 4591 Oil Springs Line, Oil Springs, Ontario, N0N 1P0. On the same day commencing at 11:15 a.m. the Tenders will be opened in public at the Oil Springs Town Hall.

The work approximately consists of the supply of all labour, materials, equipment and things necessary for the asphalt replacement on 500m of Oil Springs Line from Oil Heritage Road to Elizabeth Street including: removal of existing asphalt, removal of catch basins and leads, construction of new catch basins and leads, regrading granular 'A' base and shoulder and reconstruction of asphalt and driveways in The Village of Oil Springs, County of Lambton.

Plans, Specifications and Tender forms may be obtained electronically or in person from MIG Engineering (2011) Ltd. Hardcopies will require a payment of a non-refundable deposit of \$56.50 including HST payable to MIG Engineering. Inquires during the tender period are to be directed to MIG Engineering.

Each tender shall be accompanied by deposit, in the form of certified cheque or bid bond in the amount of 10% of total tender price, made payable to The Corporation of the Village of Oil Springs. A Performance and Maintenance Bond for 100% of the contract price and a Labour and Materials Payment Bond for 100% of the contract price shall be required from the successful bidder.
